Welcome to the

Southern Oregon Lavender Trail!

A spectacular lavender experience awaits you in the nearby Applegate Valley! Nestled among the vineyards and tranquil fields are three unique family-run lavender farms, a lavender nursery & a lavender demonstration garden.

Most of our venues offer U-pick lavender flowers, lavender plants and exquisite lavender products & crafts. At some of the farms there are also daily essential oil distillation demonstrations.

The OSU Demonstration Garden is open year-round and Goodwin Creek is open from March to September. Our other lavender farms are open from mid-June to mid-August when the lavender is in full bloom. Each venue may have slightly different hours, so please check the individual entries listed in this brochure or our Facebook pages / websites for dates, times & information about classes (which require pre-registration), special events and other happenings on the Trail. We look forward to seeing you!

The meandering roads and rivers of the Applegate Valley are now home to some 18 small wineries. Each of our family-owned wineries is as unique as the people who operate it. We invite you to come meet us, step into our vineyards and share a glass of wine! applegatewinetrail.com
